Safeguarding & Protecting Children

A Welfare Workshop

What's in it for me?

The workshop is suitable for Club Welfare Officers and anyone in a role with significant access to or responsibility for juniors.

You will be introduced to British Rowing safeguarding policies and procedures, as well as:

- improving your awareness and evaluation of best practice
- raising awareness of the signs of abuse
- being provided with detailed guidance on how to receive, record and report allegations.

It's also a great opportunity to make contact with other CWOs and coaches in your region!

Workshop Details

Friday 11th March 2011
6.30pm - 9.30pm
