*Please take note there will be no heats in the under 14 and 15 events it will be just A and B finals.

Information:

- Medals will be presented for each Category that contains two or more boats from two different clubs for an event.
- How it works: For example men's division 1 sculls will include the following categories :
MS1X MU231X MI1X MJ181X
- Which will all race 6 or 8 Boat heats (depending on the entries received) Heats will be drawn starting with the fastest perceived boats first eg: MS1X then MU231X and so on.
- Please take note that the A Finals will be the last race of each event. This also will apply to heats. For example Heat C 11:00am, Heat B 11:05am Heat A 11:10am. Final C 1:00pm, Final B 1:05pm, Final A 1:10pm.
- Each lane of each heat will be filled and it is possible that MS1X may be racing MU231X or MI1X or MJ181X. This again will depend on the entries received.
- Take note the fastest 6 boats will progress into the A Final and the next 6 fastest boats will be in the B Final and so on. (depending on the entries 8 lanes may be used)
- To make the A Final you must race your heat as fast as possible as the A Final will be chosen from the fastest 6 times not the position you qualify in; for example you may finish fourth in your heat but still qualify in the fastest 6 times for the A Final.
- Whatever final you are in there are medals for each category winners: MS1X, MU231X, MI1X, MJ181X.
- In the event that there are less boats entered than lanes that event will be a straight final.
- **Take note to use the same boat twice you will need at least a minimum of 1 hour between each of the races.**
- Please study sequence of events before making your entries.
- Morning Heats .
- Morning Finals .
- Afternoon Heats .
- Afternoon Finals .
- **Please note** the timetable attached is only a guideline and **WILL BE REVISED** once entries are in.
