

WRRC
WEST REGIONAL ROWING COUNCIL

ARA Club Development Conference 2009

Saturday 31st Jan 2009

Venue: Seale-Hayne, Newton Abbot
Time: 10.30am - 4.30p.m.
Cost: Free!

The Amateur Rowing Association, in conjunction with the West Regional Rowing Council, are running a Club Development Conference for volunteers from ARA affiliated clubs in the West Region.

The conference will provide an overview of the ARA's development plan for rowing for 2009-13, and an introduction to the recently launched revised Water Safety Code (Row Safe) and new Participant Welfare Policy.

The conference is ideal for committee members wanting further information on ARA policies, and understanding how these can impact on your club. In particular it suggested that every club ensures their water safety advisor and club welfare officer attend to receive important updates on ARA policies.

To book your place on the course please complete the attached club application form and return to Tom Pattichis - ARA CDO
01626333020 - 07879070873 - tom.pattichis@ara-rowing.org

Application deadline: Friday 23rd January 2009

ARA Club Development Conference 2009

Application Form

Club Name:	
Names of delegates attending:	
Contact e-mail:	
Contact number:	

The afternoon session will be divided into three separate workshops;

- **'RowSafe'** - Introduction to the New ARA Water Safety Policy - particularly aimed at club safety advisors and coaches
- **Safeguarding and Protecting Children and Vulnerable Adults** - particularly aimed at Club Welfare Officers and volunteers working with Juniors
- **Runningsports 'Valuing Your Volunteers'** - Workshop designed to provide information on how to recruit and retain more volunteers to help run your club

Please fill in the table below to let us know which workshop each of your club delegates would like to attend.

Workshop	Names of delegates attending:
'RowSafe' - Introduction to the New ARA Water Safety Policy	
Safeguarding and Protecting Children and Vulnerable Adults	
<i>Runningsports</i> 'Valuing Your Volunteers'
