Event Information and Rules

1. The Masters Championships are conducted under the Rules of British Rowing and the British Rowing Rules of Racing and are open to Clubs affiliated to Federations that are members of World Rowing.
2. All competitors must comply with Row Safe 2023: A Guide to Good Practice in Rowing and the Regatta Safety Instructions. Crews must comply with the Traffic Flow Rules, which apply over the whole of the 2000m course. No practising is allowed before racing starts. No practice starts are allowed on the course, after racing has begun. **Conditions on a multi-lane course can be challenging. Crews should not be entered unless they have had some experience of regatta racing, especially attaching to a stakeboat and keeping straight, previously.**
3. In the event that the Championships are cancelled for reasons beyond its control entry fees will not be returned. If the Championships is cancelled before they have begun we will endeavour to return as much of the entry fee as possible once costs have been covered.
4. All entries must be put in via the BROE System by the time and date shown on the poster. The appropriate entry fee must also be paid by the time and date shown on the poster either on-line or by post.
5. All competitors must bring their membership cards to the Regatta (or equivalent for non-BR crews).
6. A competitor without appropriate documentation MAY be allowed to race but must produce that documentation within 48 hours of the end of racing to the Entries Secretary. Any medals or trophies won will be retained by the Organizing Committee until such times as the documentation is produced. Failure to produce the documentation will cause the crew/crews to be disqualified and any medals awarded to the next crew accordingly. Entries to future Masters Championships may also be refused.
7. A crew that withdraws from an event after entries have closed will still be liable for the entry fee.
8. If all crews except one withdraw from an event after the draw the remaining crew will still be liable for the entry fee and must row over the course to receive any prize.

9. Where more than six entries are received for a Championship event the Progression System shown on the Masters Championships website (and below) will be used to determine the number of Heats and Semi-Finals and the number of crews that will qualify for the Final.
10. Lightweight 1x events will be run separately if 4 or more entries are received otherwise the entries will be combined with the openweight categories or handicapped. Lightweights who do not make weight on the day will be disqualified.
11. Non-Championship events: if there are more than 6 entries the event will be split into tiers of approximately equal size according to CRI.
12. No individual rower who has won a gold medal at the Championships or the Scottish Championships, in the relevant discipline, i.e. sweep or sculling, or at Intermediate 3 or Tier 1 may be entered in any entry in a Non-Championship event. These restrictions do not apply to coxswains. The list of previous winners is on the Masters Championships website.
13. Events will be run in Divisions. Each competitor (including coxswains) and each boat may be entered only once in each division. We will endeavour to allow a minimum of 40 minutes between heats and finals and a minimum of 40 minutes between Divisions in an Age Category.
14. The Organising Committee does reserve the right to alter the order of events if necessary.
15. Crews or individuals entered in more than one event, or who are sharing equipment, or who are unable or unwilling to comply with the Programme of Racing may withdraw from an event but will forfeit the entry fees for that event.
16. Where appropriate in Championship events only the Masters Handicap System will be used in accordance with the Rules of Racing.
17. Winners of all Championships events will receive Gold Championship Medals. Silver Medals will be awarded to runners-up in events with four or more entries. Bronze Medals will be awarded to the third placed crew in events with six or more entries. The medals for an event will be decided at the time of the draw. The winners of each event in the Non-Championship events will receive non-championship winners' medals.
18. The British Rowing Masters Championships' website is www.britishrowing.org/brmc
19. The decision of the Organising Committee of the Championships on any aspect of the Regatta operation will be final.

FAILURE OF COMPETITORS TO COMPLY WITH THESE RULES MAY LEAD TO THEIR ELIMINATION FROM AN EVENT OR THE REGATTA

Photography

1. There are official photographers and videographers at the Championships. Official photographs are available for sale at the Regatta and subsequently from the photographer's website. These photographs and videos may be used on the website and social media sites of the Championships or by British Rowing. By entering the Regatta, competitors and those responsible for them consent to this.
2. Competitors and those responsible for them should be aware that other, nonofficial photographers might operate at national sporting events and the subsequent photographs or videos may be freely used in print, digital media or elsewhere, over which the Organising Committee has no control.
3. Coaches and competitors agree that by entering crews they have made the crew members and their parents/guardians (where in loco parentis) aware of the above two paragraphs.
