CHAMPIONSHIPS**

# 2023 Notice of Competition

Version 3, 17 April 2023

## Introduction

British Rowing is committed to ensuring that rowing is an accessible sport which provides opportunities for enjoyment and achievement at all levels. To better achieve this goal, British Rowing understands the need to expand these opportunities to include all types of sea rowing.

World Rowing has been supporting the growth of coastal boat based competitions, providing two formats - Endurance (Offshore) and Beach Sprint. British Rowing's Rules of Racing Offshore event uses three boats classes, solo (C1x), double (C2x) and coxed quadruple sculls (C4x+), whilst the Beach Sprint event has two; solo (C1x) and double (C2x).

The Offshore format is a race of 4-6km around turning points, with or without a beach start and finish.

With this in mind, British Rowing is continuing to develop the Offshore Championships event that will provide a pathway progression from the in-country offshore competitions to the World Rowing Coastal Championships. This also includes supporting the development of the format of racing including rules, event organisers, umpires etc.

After a successful World Rowing Coastal Championships held in Saundersfoot in October 2022, this year British Rowing returns to the site of the 2021 Championships – Exmouth. This will be the second time that Exmouth has hosted the event, and we are excited to introduce some new events in order to cater for the growing demand of Offshore rowing.

We look forward to seeing you there!

**Sarah Gregory**

Chair of the Organising Committee British Rowing Offshore & Beach Sprint Championships
